UCD MSC PROJ's Weekly Summary

Monday, July 20th - Sunday, July 26th

Hope you had a good weekend! Here's a summary of what happened on your team last week:

Your team sent a total of **332 messages** last week (that's 532 fewer than the week before). Of those, **19% were in channels** and **81% were direct messages**. Your team also uploaded **3 files** (that's 3 fewer than the week before).

Looking for more stats? Check out [your team's stats page](#).

The channel your team used most last week was [#general](#), with 43 messages. That's quite a conversation.

Your team has 2 owners: Garry Davitt and Neil Grogan (primary owner). **Your team has 3 admins:** Igor Berdnikov, Kevin Kennedy, and Larry. In total there are **5** people on your team.

Remember: it's important to [keep the list of owners and admins up to date](#) since they control your team's settings.

Your team is on Slack's **Free Plan**, which is free for unlimited users for an unlimited time. Interested in unlimited archive access and integrations, single sign-on, custom data retention, and more? [Check out our paid plans](#) to learn all about it.

Want to get the most out of Slack? Here's a tip:

Using **@channel** in a message will alert all the people in the channel.
Using **@everyone** will send an alert to every person on the whole team.
Use sparingly!
