### UCD MSC PROJ's Weekly Summary

**Monday, August 10th - Sunday, August 16th**

Hope you had a good weekend! Here's a summary of what happened on your team last week:

Your team sent a total of **1,230 messages** last week (that's 127 more than the week before). Of those, **27% were in channels** and **73% were direct messages**. Your team also uploaded **27 files** (that's 8 more than the week before).

Looking for more stats? Check out **your team's stats page**.

**You personally used 15 emoji last week. That compares to an average of 4 for all members of your team!**

**Your team has 2 owners:** Garry Davitt and Neil Grogan (primary owner). **Your team has 3 admins:** Igor Berdnikov, Kevin Kennedy, and Larry. In total there are **5** people on your team.

Remember: it's important to **keep the list of owners and admins up to date** since they control your team's settings.

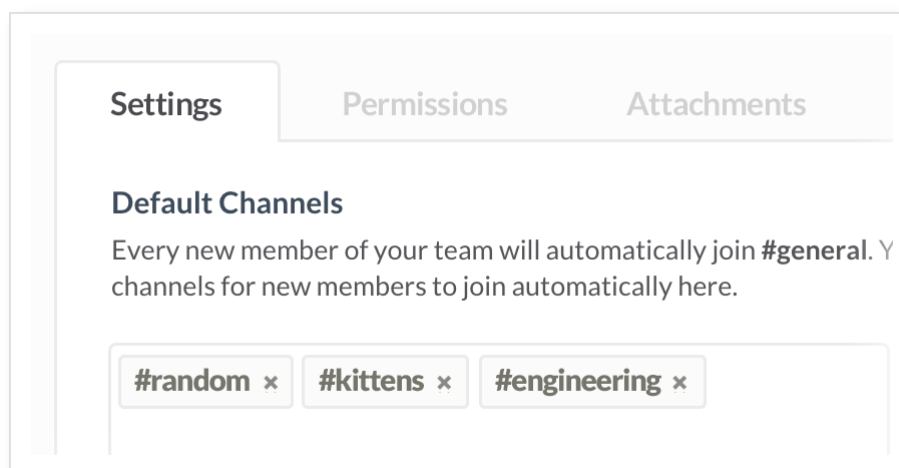

Your team is on Slack's **Free Plan**, which is free for unlimited users for an unlimited time. Interested in unlimited archive access and

integrations, single sign-on, custom data retention, and more? **Check out our paid plans** to learn all about it.

**Want to get the most out of Slack? Here's a tip:**

**Set default sets of channels** for new team-members to make sure they get what they need (without getting overwhelmed) their very first day on Slack.

This email is sent to team owners and admins of active teams. If you'd prefer not to receive these emails, you can **unsubscribe here**.
