## UCD MSC PROJ's Weekly Summary

Monday, June 22nd - Sunday, June 28th

Hope you had a good weekend! Here's a summary of what happened on your team last week:

Your team sent a total of **928 messages** last week (that's 5 fewer than the week before). Of those, **28% were in channels** and **72% were direct messages**. Your team also uploaded **31 files** (that's 19 more than the week before).

Looking for more stats? Check out [your team's stats page](#).

**Your team's top 5 emoji last week were:** 😊👍👎😊😊

**Your team has 2 owners:** Garry Davitt and Neil Grogan (primary owner). **Your team has 3 admins:** Igor Berdnikov, Kevin Kennedy, and Larry. In total there are **5** people on your team.

Remember: it's important to [keep the list of owners and admins up to date](#) since they control your team's settings.

Your team is on Slack's **Free Plan**, which is free for unlimited users for an unlimited time. Interested in unlimited archive access and integrations, single sign-on, custom data retention, and more? [Check out our paid plans](#) to learn all about it.

### **Want to get the most out of Slack? Here's a tip:**

It's tough at the top: even the most powerful evil geniuses need a helping hand. Owners: [Promote some users to admins](#), and spread the love (and the load) of permissions, team settings, and other vital administrative abilities.
