UCD MSC PROJ's Weekly Summary

Monday, June 29th - Sunday, July 5th

Hope you had a good weekend! Here's a summary of what happened on your team last week:

Your team sent a total of **571 messages** last week (that's 357 fewer than the week before). Of those, **19% were in channels**, **6% were in groups** and **75% were direct messages**. Your team also uploaded **25 files** (that's 6 fewer than the week before).

Looking for more stats? Check out [your team's stats page](#).

Your busiest hour last week was 4-5pm on Thursday, when you sent 36 messages. Productivity!

Your team has 2 owners: Garry Davitt and Neil Grogan (primary owner). **Your team has 3 admins:** Igor Berdnikov, Kevin Kennedy, and Larry. In total there are **5** people on your team.

Remember: it's important to [keep the list of owners and admins up to date](#) since they control your team's settings.

Your team is on Slack's **Free Plan**, which is free for unlimited users for an unlimited time. Interested in unlimited archive access and integrations, single sign-on, custom data retention, and more? [Check out our paid plans](#) to learn all about it.

Want to get the most out of Slack? Here's a tip:

Is billing for your paid team handled by someone other than yourself? Or, in fact, by someone who isn't on your team at all? [Outsource the billing to someone else](#) (someone who has agreed to pay it, of course, not just some random person) with one handy button.

 **Billing**
